Report on Review of Condensed Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Azizi Bank ("the bank") as of June 30, 2020 and the related condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for the six months period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of these condensed interim financial statements in accordance with International Financial Reporting Standards (IFRSs), requirements of the Banking Law of Afghanistan and directives issued by the Da Afghanistan Bank (DAB). Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements do not give a true and fair view of the condensed interim financial position of the bank as at June 30, 2020 and of its condensed interim financial performance and its condensed interim cash flows for the six months period then ended in accordance with International Financial Reporting Standards (IFRSs), requirements of the Banking Law of Afghanistan and directives issued by the Da Afghanistan Bank (DAB).
